NEWS AND UPDATES FOR 2026

A Note From The Waleskis:

What a whirlwind this year has been, filled with the delightful chaos that comes with raising a family! With the leaves still needing to be cleaned up while snow looms on the horizon, it feels like we're in a race against time. Our spirited 9-year-old Gwen is diving headfirst into her second year of competitive gymnastics and trying her hand at the saxophone, while our adventurous 4-year-old Max has just embarked on his school journey, and he couldn't be more thrilled! Jess and I are simply trying to keep up, juggling the demands of our business with the joys of family life in the breathtaking Adirondacks.

As we dream of new adventures this year, we can't help but feel the magnetic pull of Paradox Lake, a place that never fails to take our breath away with its serene beauty.

SALES TAX REQUIREMENT IN NYS

At the beginning of 2025, NYS Governor, Kathy Hochul, signed into law that all short-term rentals would need to start paying sales tax. As much as we tried to find a way around it, we could not. Effectively immediately, all bills will have NYS sales tax (8%) + Essex County tax (5%) on their bills. Sales tax will also be charged for boat rentals.

RESORT FEE VS INCIDENTALS

At Lake Paradox Club, we understand that the hospitality industry is continuously evolving, and we are committed to enhancing your experience while ensuring that comfort and affordability remain at the forefront of our offerings. To streamline your stay, we have decided to introduce a resort fee of just \$15 per night, which will consolidate essential services into one convenient charge. This means no more separate fees for electricity, garbage, or firewood. This fee includes access and maintenance of our beach, docks, tennis court, and grounds, as well as garbage and recycling collection, and any products left for your arrival. This fee is separate and is not included in the NYS Sales or Essex County tax calculation. Rest assured, even with these updates, Lake Paradox Club remains committed to delivering the same warm, welcoming atmosphere and exceptional service that has been a hallmark of our community for over a century. We can't wait to welcome you back and make your stay unforgettable!
